Sub: Reports called for by the High Court- reports to contain the exact details called for by the High Court- reg.

Ref: Judgment dt. 30.03.21 of this High Court in OP(Crl) No.122 /2021

The High Court had, while considering the Petition cited, called for a report from the Jurisdictional Magistrate regarding the present status of the case and the time required for its disposal. However, the Magistrate concerned had casually furnished an incomplete report, which lacked the details which were called for. The High Court views this with concern.

In the circumstances, all the Judicial Officers in the State are strictly directed to ensure that whenever a report is called for by the High Court, the same is to be submitted with all the essential details sought by the Court and within the stipulated time.
